BUS TRANSPORTATION/EMERGENCY FORM

Since the Big Oak Flat-Groveland Unified School District is dominated by Highway 120, and all of the stops are along roads with traffic, every effort has been made to select stops which, in the opinion of bus drivers and trustees, are most protective for the children. However, parents in each stop area must instruct their children, and check on their children's behavior on the way to and from the stops and while waiting at the stop.

1. Pupils shall not cross main traveled roads at the bus stop except with the driver's assistance.
2. Pupils shall not play at the edge of the road or play running ball games which might lead to darting into the road.
3. Teach children to understand and observe all of the rules for behavior on the bus.
4. Students are to ride their assigned routes only. The routes are formed after considering home location, bus capacity, and student safety. The transportation department appreciates your support and understanding.

PARENTS: Please have your child return this slip to his or her bus driver.

1. I have read the policy regarding pupil transportation in the student handbook.
2. In case of accident or serious illness, I request the school contact me. If the school is unable to reach me, I hereby authorize the school to call the physician indicated below, and to follow his instructions. If it is impossible to contact this physician, I hereby authorize the school to obtain medical care and medical treatment.

ACCEPTABLE USE POLICY FOR ON-LINE SERVICE

Student Name (printed)

Teacher and Grade

Use of the Internet provides great educational benefits to students. Unfortunately, however, some material accessible via the Internet may contain items which are illegal, defamatory, or potentially offensive to some people. Access to the Internet is a privilege for students who must act in a considerate and responsible manner. We require that students and parents/guardians read, accept and sign the following guidelines for acceptable on-line behavior before Internet use will be allowed.

* Students are responsible for good behavior on the Internet, just as they are in a school building. All school rules for behavior and communication apply.

* Downloading non-academic files from the Internet, especially, but not limited to, shareware programs, browsers and audio or video files will not be permitted.

* Network areas will be monitored on a regular basis. Network Administrators, the staff and other faculty may review files to maintain system integrity and ensure students are using the system responsibly. At times, surveillance will be used and students should not expect that files will be private.

* Internet use is for academic purposes and scheduled classes will have priority over coming into the Computer Lab individually for Internet use.

* The following are not permitted:

* The use of anonymous proxy servers or anything else that bypasses the firewall.

* Sending or displaying offensive messages or pictures.

* Using obscene language.

* Harassing, insulting, or attacking others.

* Damaging computers, computer system or network files.

* Other student files.

* Violating copyright laws.

* Employing the network for commercial purposes.

* Intentionally wasting limited resources, including the use of "chain letters" and messages broadcast to mailing lists or individuals.

* Revealing the personal address, phone number or e-mail address of any other person without permission.

* Violations will result in loss of access and other school discipline as outlined in the school code.

I have read the rules for acceptable on-line behavior, understand the rules, and agree to comply with the above stated rules. Should I violate the rules, I understand that I may lose my computer privileges, may be removed from class, may be suspended, may be expelled and may be referred to the police and will have to pay restitution for damages.
