## UPDATE ISOLATION GUIDELINES

On January 3, 2022 the District received Covid-19 orders from the Tuolumne County Public Health Officer. The biggest change has been the reduction of the isolation period (Covid positive individual) from 10 days to 5 days. However, the person must have improving symptoms, be fever free and obtain a negative Covid test on the 5th day.

## COVID UPDATE

Covid positive cases are on the rise throughout the county, following the holidays. It is essential that parents screen their child daily for symptoms, before sending them to school. The school is able to test your child for Covid if they are symptomatic or have been exposed to someone with Covid.

## COVID VACCINE CARD

If your student has been vaccinated, please bring the office a copy as this will determine their quarantine status should they be exposed to Covid-19.
