School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

The mission of our district is to provide each student a quality education in a safe and healthful learning environment. To achieve our mission we will:

- Make decisions and policies that support our mission
- Instill dignity, respect, responsibility, and tolerance, while educating the whole child
- Maintain a safe and healthful environment
- Be fiscally responsible
- Be supportive of staff and students
- Provide the structure and support for K-12 articulated programs that meet or exceed state standards
- Recruit and retain quality staff

Tioga High School is a small, rural comprehensive high school located in the Sierra Nevada Mountains near the north gate of Yosemite National Park. The community is fortunate to have a well-staffed college prep program with highly qualified teachers.

With a student population of approximately 60 and a teaching staff of 5 full-time equivalent the teacher to student ratio is roughly 12:1. In addition the school also has a ¼ time counselor, full-time teaching principal, full-time secretary, full-time aide, full-time custodian/maintenance worker, and a behavioral counselor available at school one day a week.

The student population is not ethnically diverse; however, about 55% of our student body qualify for free and reduced lunches. Recently, Tioga went through a WASC accreditation review and was granted the maximum six year extension. The accreditation review in 2015 provided Tioga High School with another six years of being an accredited school. Besides the academic and vocational programs students can select from, the school also includes a variety of activities, clubs, and sports programs to round out their overall school experience.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

School Facility Conditions and Planned Improvements

The maintenance dept reviewed the site and found that operations were in fair to good condition

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: December 2020

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Poor	Maintenance schedule during summer months is to pay attention to these interior surfaces by painting and assessing necessary repairs.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Fair	

System Inspected	Rating	Repair Needed and Action Taken or Planned
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Fair	
Safety: Fire Safety, Hazardous Materials	Good

External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Poor	window repairs/replacement on the list of attention
Overall Rating	Fair	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	0	N/A	18	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019-2020)

Tioga High School offers the following CTE Programs:

- Culinary Arts
- Medical Careers
- Plant & Soil Science
- Robotics - games & simulation

These CTE programs are integrated with academic courses in that they are academic themselves, following a solid, updated curriculum to prepare them for the working world in that specific area.

Measurables include Safe Serve test in Culinary Arts as well as the test for students to earn college credits for the course at the end of the year. Medical Careers students take part in the County Occupational Olympics each year, giving them a measureable against other programs.

Karen Seals teachers 2 of our 4 CTE courses and industries represented are Culinary Arts and Medical Careers while our math & science teachers take on robotics and plant & soil science.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Tioga High School has a Student Leadership Program to allow parents to assist with student activities and programs. Another opportunity for parent involvement is on the School Site Council. The Tioga School Site Council is a group of teachers, parents, classified employees, and students (at the high school level) that works with the principal to develop, review and evaluate school improvement programs and school budgets. The members of the site council are generally elected by their peers. For example, parents elect the parent representatives and teachers elect teachers. Parents are always welcome to volunteer to assist with any program at the school and providing chaperone assistance on field trips. Please call Tioga High School at (209) 962-4763 for more information and school schedules. Parents can also reach the school via Social Media on Facebook (tioga.high). The school uses Remind App to communicate with students, staff and families.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	3	20	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The School Safety Plan is reviewed and updated each year. As of the 13/14 school year a revised plan includes A.L.I.C.E. (Alert, Lockdown, Inform, Counter and Evacuate) protocol incorporated into all plans. A.L.I.C.E. training began in our District on 1/6/14 for all staff. The key elements in the plan are to follow the basic steps but when information is available to be able to make the best decision based on your location and situation for the benefit of the students. A school resource officer has been provided to the district beginning in the 2018-19 school year by Tuolumne County Sheriff's Office, she spends at least one day a week at Tioga High. Safety drills are completed as required.

Tioga High, as of 11/2019, has completed ALICE review and updated training's for staff and students as well as two days of "live" active intruder scenarios. The school has also upgraded their wireless communication and security cameras on campus.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	3

Annually we provide in-service training before the school year begins and at least two afternoons a month on early release Fridays. Recent topics included NGSS Phenomena, school safety, STEAM, best math practices, mindfulness, PBIS, inclusion, and social-emotional needs. The district selects in-service topics based on need, new curriculum or state mandates. These training's have included Human Trafficking, anti-bullying and Suicide prevention.

In March of 2020, Tioga High School moved from in-person learning to distance learning. Five additional in-service trainings were provided in the 19-20 school year to assist with the transition to virtual learning. In addition, these digital trainings continued through the summer and fall of 2020. All staff were also trained on COVID-19 procedures including cleaning, disinfection, social distancing and screening protocol.

The District supports and encourages our staff to participate in professional development at district, county, region and state levels. The platform for professional development varies from book study at the local level, after-school or summer workshops at the county, and conferences in the region or state level. In the last year, staff has attended professional development for STEAM, math, Positive Behavior Intervention Supports, special education, art therapy, ELPAC and foster youth services.

All of the District in-services were given by designated speakers with the assistance of power points, hand-outs or hands on activities.
