# 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

# General Information about the School Accountability Report Card (SARC)

#### **SARC Overview** By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/. For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/. For additional information about the school, parents/guardians and community members should contact the school principal or the district office. DataQuest is an online data tool located on the CDE DataQuest web page at **DataQuest** https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners). California School Dashboard The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and California School schools are meeting the needs of California's diverse student population. The DASHBOARD Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

**Internet Access** 

on a workstation, and the ability to print documents.

Internet access is available at public libraries and other locations that are publicly

accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available

# 2023-24 School Description and Mission Statement

The mission of our district is to provide each student a quality education in a safe and healthful learning environment. To achieve our mission we will:

- · Make decisions and policies that support our mission
- · Instill dignity, respect, responsibility, and tolerance, while educating the whole child
- · Maintain a safe and healthful environment
- · Be fiscally responsible
- · Be supportive of staff and students
- · Provide the structure and support for K-12 articulated programs that meet or exceed state standards
- · Recruit and retain quality staff

Tioga High School is a small, rural comprehensive high school located in the Sierra Nevada Mountains near the north gate of Yosemite National Park. The community is fortunate to have a well-staffed college prep program with highly qualified teachers.

With a student population of approximately 50 and a teaching staff of 5 full-time equivalent the teacher to student ratio is roughly 12:1. In addition the school also has a ¼ time counselor, part-time principal, full-time secretary, full-time aide, full-time custodian/maintenance worker, and a behavioral counselor available at school two days a week.

The student population is not ethnically diverse; however, about 53% of our student body qualify for free and reduced lunches. Besides the academic and vocational programs students can select from, the school also includes a variety of activities, clubs, and sports programs to round out their overall school experience. Enrichment activities include Academic Decathlon, Mock Trial, Leadership and Culinary & FFA competition and events.

#### 2023-24 School Description and Mission Statement

THS Graduates will: 1. Use their critical thinking skills to solve real life problems and analyze information. 2. Make responsible decisions that support their personal goals. 3. Respect diverse points of view, act responsibly, demonstrate self-respect and acceptance of others wile making a positive impact in their community

# A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

# **B. Pupil Outcomes**

# **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### **Statewide Assessments**

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### **College and Career Ready**

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

# Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	6	9	13	14	33	34

#### 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

#### 2022-23 Career Technical Education Programs

Tioga High School offers the following CTE Programs:

Ag Science -Plant & Soil Science, Ag Mechanics and Culinary Arts

These CTE programs are integrated into the A-G course offerings as an elective course. They meet the rigorous requirements of A-G and support in meeting high school A-G requirements for admission into a college or university.

These programs are measured by ensuring all students meet the minimum requirements of safety through the use ServeSafe for Culinary Arts and OSHA for Agricultural classes

CTE credentialed teachers provide instruction for the majority of courses. One course is offered by a science credentialed teacher. CTE advisory meetings are held twice a year for AgriScience pathways utilizing industry partners and key community stakeholders

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Tioga High School has a Student Leadership Program to allow parents to assist with student activates and programs. Another opportunity for parent involvement is on the School Site Council. The Tioga School Site Council is a group of teachers, parents, classified employees, and students (at the high school level) that works with the principal to develop, review and evaluate school improvement programs and school budgets. The members of the site council are generally elected by their peers. For example, parents elect the parent representatives and teachers elect teachers. Parents are always welcome to volunteer to assist with any program at the school and providing chaperone assistance on field trips. Please call Tioga High School at (209) 962-4763 for more information and school schedules. Parents can also reach the school via Social Media on Facebook (Tioga High). The school uses Parent Square to communicate with students, staff and families.

# 2023-24 School Safety Plan

The School Safety Plan is reviewed and updated annually at the beginning of each school year. The District adopted A.L.I.C.E. (Alert, Lockdown, Inform, Counter and Evacuate) protocol. Staff and students are trained yearly using the ALICE model. The safety of student sand staff is of the utmost importance at Tioga high School. The school no longer has access to a school resource office do to county staff shortages. The school provides students with educational information or internet safety, as well as drug and alcohol abuse. Staff members utilize radios for communication in addition to classroom phones and the PA systems. Visitors register at the the office prior to visiting any classrooms and students are required to sign in and out at the office. Safety drills are conducted as required and staff are continuously working on improving the efficiency of drills. The Big oak Flat-Groveland Unified School District Governing Board approved the comprehensive district wide safety plan in January of 2023. The current safety plan is located on our website at www.bofg.org Tioga High School is currently in the process of updating ALICE training for all staff and students.

#### 2020-21 Secondary Average Class Size and Class Size Distribution

#### **Professional Development**

Annually staff are provided in-service training before the school year begins and at least two afternoons a month on early release Fridays. Recent topics include NWEA assessment training, school safety, policies and procedures, social-emotional learning, MTSS, and professional learning communities. The District and site select in-service topics based on need, new curriculum or state mandates. These trainings have included Human Trafficking, anti-bullying, suicide prevention and gender identity.

The District supports and encourages staff to participate in professional development opportunities at the county, region, state and national levels. At the site we also encourage book studies and sharing of information gained from attending various professional development opportunities.

All of the District and site in-services were given by designated speakers with the assistance of power points hand-outs or hands on activities. Regular staff meetings are held to discuss MTSS, RTI, SEL and behavior or academic supports. They reflect on discipline referrals, assessment scores and attendance data for each student to evaluate what is working and make adjustments to things that are not working. Administration follows up with students, staff and parents as needed to ensure all students are successful.
