HAPPY FALL-Y'ALL' FESTIVAL

On Friday, November 12th Student council is hosting a festival. This mini festival will take place at the end of the day during lunch recess. There will be fun activities, games with prizes, a few treats, and a lot of fun and smiles!! Student Council will need help with this event, in the form of donations of Goodies. We would like to have just one treat (cookie, cupcake, brownie etc.) for each student to enjoy during the festivities. We would really appreciate donations of Store-Bought Goodies ONLY to be brought to school no later than the morning of the Festival. Please contact Kelly Koster, Student Council Advisor for any questions kkoster@bofg.org. Student Council Thanks you in advance for your help and support.

FRIENDLY REMINDER

Please let the office know before 2:15 if your child needs a bus or pick up note so that we can get them to the right place. Waiting to the end of the day makes it difficult to make that happen. Thank you!

BREAKFAST

Breakfast is served daily in the cafeteria from 8:00-8:20. If your student will be eating breakfast please drop them off by 8:10am. We have had several students who are missing important class time due to being late or heading to the playground instead of the cafeteria.

KONA ICE WILL BE HERE ON 11/10.

The cost for a shave ice is \$2.00. 20% of the proceeds will be donated to Student Council.

RETURN TO SCHOOL

We have sent many students home who came to school exhibiting 1 high risk or 2 lower risks symptoms. If your student has been ill with any of these symptoms in order to return to school they must meet one of the following conditions:

- 1) Present a negative Covid test result. These tests can be administered at Tenaya. Please call 962-7846 or email Debra at delliot@bofg.org for registration links and more info.
- 2) Present an alternative diagnosis from physician.
- 3) Quarantine at home for 10 days from the onset of symptoms.

GIRLS VOLLEYBALL

Good Luck to our Lady Warriors this season! Immediate family members only to watch the games and students must be accompanied by an adult the entire time. Masks required in the gym.

LOST AND FOUND

Please label your child's jackets, sweatshirts, lunch boxes etc. with their name in permanent marker. With the weather fluctuation throughout the day, we are finding lots of jackets on the playground. Lost and Found rack is in front of the office.

TUTORING

After school tutoring is available Monday-Thursday from 3:00-4:00 on a limited basis. Kate Gifford will tutor 1st-3rd and Christopher Elliott 4th-8th. Please reserve a spot with your child's teacher if you are interested. You must pick up your child after tutoring, no transportation available.
