To the parent of:

Dear Parent or Guardians,

This summer we will be offering three one week enrichment summer school programs. Summer School is open for students currently enrolled in grades 1-7. Next summer we hope to partner with Sonora Youth Partnership PM CLUB for five weeks of full day classes.

This will give you an idea of what we have planned:

Session one will be held June 21-24 (no school 6/20, due to Juneteenth Holiday) 9:00-1:00
theme- Fitness

Session two will be held July 11-15 9:00-1:00 theme- Art

Session three will be held August 1-5 9:00-1:00 theme- STEAM (solar system)

We will provide a snack and lunch for all students. The first part of the day will be spent on skill building and the second half on activities. The curriculum will include practice with reading, math and writing skills. We will provide multi-graded instruction to small groups. We will adjust our teaching staff and instructional aides according to the number of students signed-up for each session. There will be two classes per session, space is limited so be sure to promptly return this form.

Please complete the form below and return by May 31st, so we can ensure we have enough staff.

Sincerely,

Wynette Hilton
