School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Don Pedro High School is a small high school located in the small remote community of Don Pedro in the foothills of central California. The school's enrollment reflects the area with a small population of approximately 50 students. In addition to the remote area where the school is located, its geographical location is quite far from the other schools in the district.

Our mission and focus echoes that of our district:

1. Make Decisions and Policies that Support our Mission
2. Instill Dignity, Respect, Responsibility, and Tolerance while educating the Whole Child
3. Maintain a Safe and Healthful Environment
4. Be Fiscally Responsible
5. Be Supportive of Staff and Students
6. Provide the Structure and Support for K-12 Articulated Programs that Meet or Exceed State Standards
7. Recruit and Retain Quality Staff
8. Maintain and Update Campus Facilities
9. Cultivate and Maintain Partnerships with Students, Parents, Staff and Communities

About Our School

The school operates on a traditional calendar and offers co-curricular activities as desired by the current student population. Athletic programs are offered based on number of potential athletes. In spite of its small size, the programs offered at Don Pedro High are quite rich. Students can fulfill both their academic and career aspirations. A complete A-G academic requirement program for college bound students is offered at the school. The AG and FFA programs are growing and are very popular. Due to the small size, students at Don Pedro are able to enjoy a close, family like learning environment that is supportive both socially and academically. Class sizes are ideal for learning as the present student/teacher ratio is 10:1. It is rare to find a class in excess of 15 students at Don Pedro High.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: 2020 January

Textbook adoptions were collected from teachers as to what they are currently using. Many of the adoptions happened prior to current staff, in Core areas textbooks would have been adopted from the SBE lists. In electives large textbook company purchases are through the governing board and supplemental materials are teacher discretion.

School Facility Conditions and Planned Improvements (Most Recent Year)

Our Maintenance Dept. reviewed all sites his findings were that while most systems were up and operating well there were still a some areas that need attention.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: November 2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Poor	some of our oldest classrooms are need of some attention to their interior surfaces. Maintenance Dept is working on painting and interior attention during summer break.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Fair	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Poor	Windows and school grounds are need of replacement or repair. These items have been placed on the maintenance list for attention.
Overall Rating	Fair	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	43	31	35	41	50	50
Mathematics (grades 3-8 and 11)	13	0	18	18	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Career Technical Education Programs (School Year 2018-19)

Don Pedro High School students have access to the following CTE courses: Floral Design/Horticulture, Agriculture Mechanics, Introduction to Medical Assisting, and Culinary. The CTE courses support academic achievement through the integration of problem solving and real world applications, especially in the areas of mathematics, reading, and writing. All students are prepared for career and work through our Get Focused Stay Focused program where students create a ten year plan and through a Personal Finance class where students prepare resumes, applications, budgets, scholarship applications, and career plans. Special education teachers work closely with the workability program to prepare students along with their participation in the Get Focused Stay Focused program. The CTE programs are evaluated based on the education and work decisions of students who have completed these courses.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Don Pedro High School has a parent club that also exists as School Site Council. This group both raises money to support the school and helps monitor the ongoing improvement process at the school. Parent Club hosts many events that increase community involvement and meets the 1st Thursday of the month. Parents also serve as an advisory committee and help with fund raisers at the school. Please contact Don Pedro High School at 209-852-2864 for more information.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

School Safety Plan (School Year 2019-20)

The School Safety Plan is reviewed each year. As of the 13/14 school year a revised plan includes A.L.I.C.E. (Alert, Lockdown, Inform, Counter and Evacuate) protocol incorporated into all plans. A.L.I.C.E. training began in our District on 1/6/14 for all staff and is an annual training on site with staff and students conducted by Sheriff Dept. The key elements in the plan are to follow the basic steps but when information is available to be able to make the best decision based on your location and situation for the benefit of the students. A school resource officer has been provided to the district beginning in the 2018-19 school year by Tuolumne County Sheriff's Office, she spends at least one day a week at Don Pedro High. Safety drills are completed as required.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	3	2	2

Annually we provide in-service training before the school year begins and at least two afternoons a month on early release Fridays. Recent topics included NGSS Phenomena, school safety, STEAM, best math practices, mindfulness, PBIS, inclusion, and social-emotional needs. The district selects in-service topics based on need, new curriculum or state mandates. These training's have included Human Trafficking, anti-bullying and Suicide prevention.

The District supports and encourages our staff to participate in professional development at district, county, region and state levels. The platform for professional development varies from book study at the local level, after-school or summer workshops at the county, and conferences in the region or state level. In the last year, staff has attended professional development for STEAM, math, Positive Behavior Intervention Supports, special education, art therapy, suicide prevention, ELPAC and foster youth services.

All of the District in-services were given by designated speakers with the assistance of power points, hand-outs or hands on activities.
