To Parents/Guardians:

Interdistrict permits may be granted, according to the California Education Code and Board Policy and these permits must be renewed annually. Because you reside outside the District's service area, this arrangement can occur through the execution of an Interdistrict Transfer Permit approved by our Governing Board.

Procedures and Timelines for Interdistrict Transfers (IDT):

1. IDT's will be accepted beginning in March until June 30
2. IDT's can be denied due to class size, impacted programs or due to combination classes
3. IDT process begins with District of Residence and is then forwarded to District of Choice. BOFG retains that appeals must be done within 30 days of denial to the Governing Board
4. Failure to meet above timelines in regards to the IDT process will be deemed abandonment of process
5. IDT received by District 15 or fewer calendar days before the start of school year, the District will notify the parent/guardian of its final decision within 30 calendar days from the date the IDT was received.
6. IDT received by District more than 15 days before start of school year, the District will notify the parent/guardian of its final decision as soon as possible, but no later than 14 calendar days after the beginning of school year.
7. A Student Interdistrict Contract is required for signature by parent and child regarding conditions of enrollment and possibility of revocation or rescinding by District.

Please complete the 'Application for Interdistrict Transfer' and submit it to the school district in which you reside for the current school year.

If you prefer, our district can accept the application and send it to your district of residence school for you. If you have any questions, please contact the District Office, 209-962-5765
